“ *A beautiful soul that will truly be missed. It's so hard to believe she is gone. My most precious memory of her is when i had asked her to do my hair because she always wore beautiful braids and hairtyles so I asked her if she could do mines. When finished, She asked if I liked it and I told her I loved it.it was the first time I got Introduced Into crochet styles which I faithfully rock today. I will miss her beautiful laugh and gorgeous smile. Forever In my heart* ”
