“ I will forever hold the memories of our twenty year class reunion in October in my heart. Thank you for being the generous and caring gentleman you were and helping me get a ticket to spend time with you.
You were such a funny friend. I remember you cracking so many jokes in school and work. Subway days forever! Love you dear friend. Rest peacefully. Say hello to my mom and sister for me.

“ *I will always miss you,, buddy. You were an amazing friend. We first met in junior high and continued our friendship through high school and after. We were definitely 2 peas in a pod. Your humor was outstanding and you had a one of a kind personality. I felt so connected to you. Thanks for fixing the crease in my late mom’s picture with your awesome artistic skills. You did this without asking; you were always so thoughtful and a wonderful friend. Rest easy and I hope we meet again! Signed, Whitehead :)*
