“ Aaron I wanted to thank you being part of my life and my siblings lives. You truly were a blessing to have in our lives and our kids lives

We are going to miss you so much my brother. It is so tough on all of us right now because you have left this world without us getting chance to tell you thank you or let you know how much you meant to all of us.

Aaron thank you for being a father figure to me and my sisters.

Love,
Marshonn Calvin
