Neighbors and school. Playing in the road, at the Beverly's, work then marrying our friend/neighbor. Love you. Rest on, rest on .*

“ To my "brother-in-law" and dear friend Hiki, Words cannot truly express my sorrow for you, Nate, and family! We've shared so many memories as teenagers and eventually in-laws, but I'll always cherish your kindness and willingness to help others around you... and always with that great smile! That is what I experienced on our last visit together, just two short years ago. Rest in peace my dear friend....until we meet again! With deepest sympathies, Paul Black, Sr
