“ I send my deepest sympathies to "Mr Henry's" family. And I call him Mr Henry because that is how I knew him. I knew him from my job and also was a neighbor for many years. My fondest memories of him are picking him up on the golf cart while he was walking to the store... (which he did nearly EVERY day...twice a day!!) He thought riding in the golf cart was the "niffiest" thing ever. He was always the sweetest man...and one of his favorite phrases was, "Gotta keep movin to stay young !"
He and my fiance (who was also a Veteran and unexpectedly passed away this January) loved talking about their Military days with one another. So, Mr Henry..I hope you found Jim up there and the two of you are at peace and having a good 'ole conversation together. Rest in Peace, Sir.
