“ Kim was one of the sweetest, most kind-hearted people I've ever met. She helped so many people that came and worked on unit 7. She was a very hard worker, fun loving and a great charge. I knew whenever she was charged it was gonna be a good day. We would talk about gardening, our dogs, the beautiful cakes she made and hair. To know Kim was to really love her. I'm going to miss you Kim. I wish I could've given you your flowers while you were still here with us. Rest Easy beautiful angel 😇
