“ Momma, I still can't accept the fact that your gone..its been 3months today and the pain is still there. I catch myself dialing your number because I'm so used to calling you every single day--maybe 3-4 times a day just to check on you. I see you in my dreams and God is letting me know that you and Daddy are watching us. I miss yall so much..but I know that one day we all we see each again. Missing you both. Lisa
