“ *Priscilla and I became good friends at Physical Therapy. I have only known Priscilla about 5 yrs but it feels like I have known her all my life. She was a great listener and friend. She had a way of being honest with you in a gentle way. I will miss her so much. We used to walk together and meet at St Joe's for church. I cannot tell you how much her gentle soul will be missed by me and anyone else who knew and loved her. I am so sorry for our loss...*
