“ I remember first meeting this precious angel at Morning Star Church years ago. Her mom needed a little assistance with taking her out into the foyer. I gladly lended a helping hand. Pam thanked me and gave me a big smile. A short time later, I saw them somewhere else and assisted them again. It warmed my heart when Pam told her husband, this is the angel that’s always helping me with our daughter. I just remember how good that made me feel to think that my little help meant so much to someone. May this beautiful angel rest in the arms of the Father. My sincere sympathy to the entire Glower’s family 🙏🙏🙏
